

Cocooning

Welcome to the cocooning-site.
Enjoy your stay at Zilvermeer. We wish you lots of fun
and a pleasant overnight stay!

Check in and check out

arrival: from 3 pm Check-in is possible with max. 2 persons
departure: before 1 pm (At check-in, show your ID and your car registration certificate)

Please bring your orange rubbish bag to the container park before departure. Sorting during the applicable opening hours.

Keep in mind:

Drive your car straight to the reserved parking lot. From here you continue on foot or by bike to the cocooning site (= approx. 50 m.). You follow the route on the plan and you can enter the enclosed area through the gate. The two cocoons, which are both provided as bedrooms, with a large bed with a diameter of 2m40 in total offer a sleeping place for 4 persons.

Common use:

- ✓ The "Socialet" with separate kitchen equipment and refrigerator per site
- ✓ The Stretchtent with separate wooden tables and benches per site
- ✓ The common fire bowl with grill ring on which you can grill
- ✓ It may not be available if there is a fire ban due to prolonged drought (fire risk!).

Inventory:

Check the inventory very carefully. Inventory deficits or damage must be reported at the beginning of your stay. Inventory deficits will be charged.

Before and upon departure:

- ✓ You tidy your own site as well as the communal areas.
- ✓ You brush the floor and clean the surrounding area.
- ✓ You also put everything neatly in the right place when you leave.

Facilities

- ✓ Electricity
- ✓ Cleaning equipment and service set
- ✓ NO running water (the available jerry can can be filled at the drinking water poles on the campsite or at the dive center).
- ✓ NO sanitary facilities on the site, but you can use the sanitary facilities of the nearby campsite free of charge for both showers and toilets (see plan). Sanitary North is the closest, but you can also use the slightly further away larger sanitary blocks, which offer more comfort and have more toilets and showers. The sanitary blocks are also accessible after opening hours with your access badge. It goes without saying that you too can leave our sanitary facilities neat and tidy. In case of an emergency, the outside toilet of the nearby dive center can be used.
